Meet Keith

Keith is the founder of Private Money Pro and creator of the "Private Money Process," a step by step system to raising all the cash you could ever need for your real estate deals.

The devastating loss of his mother to cancer when she was only 56 years of age served as a wakeup call to Keith on the brevity of life and how it should be lived without regrets. With this in mind, he went from nothing to raising over 45 Million dollars in just 7 years. Keith is the preeminent expert when it comes to raising private money and is now one of the most sought after real estate
